

## CALL FOR PAPERS:

# COASTAL TRANSITIONS

Theme: **Coastal Transitions: Blue Economy**  
Venue: **New Haven, Connecticut, USA**  
Dates: **Wednesday 4<sup>th</sup> – Sunday 8<sup>th</sup>, Nov 2020**

*Coastal Transitions* is sponsored by the [IGU Commission on the Dynamics of Economic Spaces](#) and the [IGU Commission on Coastal Systems](#). *Coastal Transitions* is jointly organized by Liverpool John Moores University, Southern Connecticut State University and MIC University of Limerick.

### Description/Rationale:

The Blue Economy concept and agenda has been endorsed by a wide range of actors, from development institutions to conservation organizations and across a wide range of public and private actors (business and conservation alike). Despite this, there has not been a concerted effort at interrogating the multi-scalar complexities of Blue Economy development initiatives in academic discourse. This conference aims to do just that, and in doing so provide a basis for the analysis of proposed Blue Economy initiatives. It is the goal of this conference to act as a catalyst to bridge and mobilize emerging knowledge(s) on coastal/marine governance, technology development, and policy practices for transitioning to a Blue Economy. A focus will be on assuring that there is direct dialogue and engagement between the scientific research community, government officials, NGO representatives and the business community through transdisciplinary interactive problem-based workshops. Government officials and members of the local and regional NGO and business communities will be invited directly by the conference organizers. The proposed conference will build upon the successful Coastal Transitions Conference in New Haven, Connecticut in March 2017, which led to the publication of an edited volume *Towards Coastal Resilience and Sustainability in the Coastal Zone* (Heidkamp & Morrissey, 2018) and also served as the catalyst for the productive Regional Studies Association Research Network on Sustainability Transitions in the Coastal Zone (RSA, 2019).

### Sub Themes:

We welcome theoretical, methodological as well as empirical or case study contributions especially related (but not limited to) the following sub-themes:

- Conceptualizing of the Blue Economy in economic geography
- The interconnection between climate change impacts and the Blue Economy
- Smart shipping, ports, transportation, and global connectivity
- Employment, job creation, and poverty eradication
- The role of ocean/maritime clusters in fostering a sustainable Blue Economy

- Innovation in the Blue Economy
- Cities, tourism, resilient coasts, and infrastructure
- Sustainable energy, mineral resources and innovative industries
- Managing and sustaining marine life, conservation and sustainable economic activities
- Securing food supplies and promoting good health and sustainable fisheries
- Climate action, agriculture and fisheries, waste management, and pollution-free oceans
- Maritime security, safety and regulatory enforcement
- Participatory governance and community driven Blue Economies
- Synergies between the scientific research community and coastal stakeholders
- Blue Economy and climate adaptation, resilience, disruption
- Just transitions and the Blue Economy
- Blue growth industries
- Marine spatial planning and the Blue Economy
- Critical engagement with Blue Economy
- Towards a Blue New Deal
- Learning from practices on land to avoid reproducing similar mistakes in the coastal and marine environment

#### **Preliminary Conference Program:**

Wednesday 4<sup>th</sup> Afternoon: Welcome, Registration, Keynote and Reception  
Thursday 5<sup>th</sup> Morning: Fieldtrip, Afternoon: Papers/Seminars, Evening: Social Event  
Friday 6<sup>th</sup> Papers/Seminars/Workshops, Evening: Social Event  
Saturday 7<sup>th</sup> Papers/Seminars/Workshops, Evening: Conference Dinner  
Sunday 8<sup>th</sup> Optional Field Trip

#### **Conference Outcomes:**

Papers presented at *Coastal Transitions* will be invited for peer review and subsequent publication in an edited volume and/or edited issues in a journal focused on issues related to the Blue Economy. The IGU Commission on the Dynamics of Economic Spaces has a strong record of publishing from its conferences. The Commission has a relationship with Routledge Publishers, who publish The Dynamics of Economic Space series - <https://www.routledge.com/The-Dynamics-of-Economic-Space/book-series/ASHSER1030>

#### **Venue:**

The conference will be hosted by Southern Connecticut State University at the Canal Dock Boathouse in historic New Haven, CT. The venue is walking distance to a number of lodging opportunities, an exceptional variety of restaurants, museums, theaters as well as the Yale University campus. Southern's main campus is a short shuttle ride away and New Haven is easily accessible from Boston and New York by train and car and the area is served by Tweed New Haven Airport (HVN) and Bradley International Airport (BDL).

**Key Dates:**

March 1st 2020 Abstracts Due (200 words; plus 3-5 keywords)

Please submit abstracts to: [heidkampc1@southernct.edu](mailto:heidkampc1@southernct.edu)  
and  
[john.morrissey@mic.ul.ie](mailto:john.morrissey@mic.ul.ie)  
and  
[C.V.GermondDuret@ljmu.ac.uk](mailto:C.V.GermondDuret@ljmu.ac.uk)

April 15<sup>th</sup> 2020 Acceptance Notification of Abstract & Conference Program, Registration Opens

June 15<sup>th</sup> 2020 Complete Papers Due

September 1<sup>st</sup> 2020 Final Conference Program & Papers to Discussants

November 4<sup>th</sup>-8<sup>th</sup> 2020 Conference

**Conference Fees:**

Conference Attendance (open)	350.00 USD
Conference Attendance (students with verification)	200.00 USD

**Optional Field Trip:**

There will be an optional field trip on Sunday, November 8<sup>th</sup> to various sites along the Connecticut Shoreline. The field trip will include lunch.

Field Trip Fee (optional)	65.00 USD
